

# My FlexGE Plan

## Discover, Dream, Act!

### Interests + Hopes

What do you enjoy? What comes easily to you? If you knew you could not fail, what would you do?

### Goal/Dream

Keep it smart: specific, measurable, attainable, realistic, timely. Break your goal down into steps.

### Strengths

Which of your strengths will be most useful in helping you to succeed? What steps have brought you success in the past?

### Challenges

What obstacles could get in your way? Any concerns? How can you use your strengths to overcome these challenges?

## Support

What skills do you need to learn in order to be successful? What campus resources or people can help you?

Have you met with an Academic Advisor to create an academic plan and go over transfer details?

## Get Involved

We challenge you to participate in activities-for growth, service, and belonging! Make a plan to join a student club or participate in activities.

## Plan

List three things you can do now to help you achieve your dream. There is more than one path to reach a dream. What is your parallel/backup plan?
